SUPERVISION

All applicants for the Bachelor Honours programs need to have a supervisory arrangement in place at the time of application. Supervisors must be members of the Faculty of Nursing, Midwifery and Health that are on the UTS Supervisors Register.

Name of Supervisor that has agreed to supervise your Honours research project:

Signature of Supervisor:

Date:

RESEARCH PROPOSAL

All applicants are required to prepare a research proposal, outlining the research they intend to undertake in their Honours research project. This proposal should be prepared in consultation with the supervisor that has agreed to supervise the project.

The proposal must include:

- the background or context of the research
- a description of the project
- a timeline for the project

The research proposal must not be more than 1000 words, be written in 11 point font and have margins no less than 2.5cm.

Please attach your research proposal to this form for submission.
